HOW THESE FIGURES WERE COLLECTED

Every figure comes from Noda Sports match operators logging each incident live at the ground on Sideline, checked against the official team sheets. Recorded: goals, assists, penalties, shots on and off target, saves, cards, fouls, corners, free kicks, crosses, offsides and substitutions. Not recorded: passes, possession, tackles and distance covered — those are not in this report. Minutes come from the team sheet and the substitutions; a figure marked * includes an appearance without a team sheet.

Completeness for this report: 7 of 8 goals have a named scorer; 61 shots, fouls, cards or saves were logged without a player and count for the team only.
